A message from Pastor Hae Seon Lee:

Greetings in Christ!

We are now fully in the season of summer, and it seems things are slowly starting to return to normal. With more people vaccinated, events and gatherings seem to be returning to what they were before. Our gatherings at church are also starting to return to what they were before, and I am excited to share and invite you to them.

First of all, we are continuing to meet for Bible study. Currently, I am offering two classes: one on Wednesday morning and the other on Thursday evening. Wednesday morning class will focus on going deep in the scriptures. We have recently finished studying the Epistle to the Hebrews and will be transitioning to the Epistle of James. As we are starting a new book, it would be a great time to join the class. The Thursday evening class is a History class, where we began with where the Old Testament left off and we are currently looking at what happened during the time between the two Testaments. This class will give you an insight that will help you understand the New Testament on a different level.

Secondly, we are planning on gathering for a meal and other events. Currently, we have planned a back to school prayer, where we will be blessing the students, teachers, faculty, and staff who are returning to a new school year. This event will be held on Sunday, August 22 at 1:30pm. We will first gather for lunch at Parade Street at 12:30pm, and you are welcome to bring a dish to share. After lunch, we shall return to the sanctuary for a time of prayer and blessing for all those who are returning to school for the new school year. We will continue to plan new events similar to this.

Furthermore, we are continuously looking for new ways to nurture our own, outreach to serve the community our churches are located in, and witness Christ in our life and ministry. If you have any ideas, do not hesitate to share them with me and at our council meetings. I look forward to the ministry God has given us to create the Kingdom of God here in our community.

Peace and Grace in Christ,

이해선
