But the God of all grace, who hath called us unto his eternal glory by Christ Jesus, after that ye have suffered a while, make you perfect, stablish, strengthen, settle you. - 1 Peter 5:10

A message from Pastor Hae Seon Lee:

Greeting in Christ!

We are already heading toward the end of 2021. Sometimes, I am amazed by how fast time flies by. As we are starting to close the year 2021, we will have to think about how we should close this year and open the new one.

Coming into this year, we were filled with uncertainty, as we are experiencing what we have never experienced before in all aspects of life. Honestly, it seems the uncertainty has not ended. People are still debating, especially with schools starting and the new variant seems to be on the rise. Such uncertainty can bring a lot of uneasy feeling in our lives. However, such times calls us to have faith and stay on course.

As we slowly start to begin gathering, we are planning on monthly events to be held in our three churches. This has begun with our Back to School Prayer held at Parade Street in August, and will be followed by charge cook-out at Riceville on September 15th. So, each church will host such events once a quarter. We do not have an event planned yet for the month of October, but we have Thanksgiving dinner at Centerville in November, and Christmas Eve at Riceville to look forward to. I anticipate to our gatherings and the blessings God will allow through the fellowship.

As I look further ahead to the new year, I pray the it will be a hope filled year, and a year we grow in faith together. Also, I pray we will have more chance to gather and have fellowship with each other and with Christ.

May God bless our churches and all who are in the community of faith. I pray that you would hold onto God tighter, especially during such times of uncertainty and allow God to work in your lives.

Peace and Grace in Christ,

이해선
